#ADC to everyone complaining about the ADC telling us to come to work even if we test positive for the virus & have no symptoms showing and not coming to work do to this #coronavirus, PLEASE go get another job & let someone get it who gone be there for me! because when we signed up for this job you knew this was a 24/7 job & we had to work it no matter what. You putting the people who actually come to work in danger more than one way now by putting us understaff & vulnerable to riots, attacks, & the virus! Now I agree we need better protective gear & raise in pay but we knew what we signed up for when we accept this job & nob... See More
